

Contemporary Collection

Beautifully Crafted Canadian Hard Maple & Red Birch with Designer Colors

Pictured: Smoky Topaz

Our beautiful hard maple flooring adds simple, subtle sophistication to any decor. Clean lines, designer colors, and smooth finish will make your space feel sleek and fresh. Additionally, our premium red birch flooring is unique and beautiful, offering distinctive gold and cinnamon colors, selected from the reddish-brown heartwood of the birch tree.

The Contemporary Collection utilizes state-of-the-art manufacturing methods and premium materials. It features an antimicrobial, crystal-clear finish that provides exceptional durability while enhancing the wood's natural beauty. The antimicrobial technology protects your floors by inhibiting harmful microorganisms that can affect indoor air quality and cleanliness. By choosing the Contemporary Collection, you're investing in a timeless, sustainable floor designed to last while supporting a healthier home environment.

Sustainable for Generations

The most environmentally friendly flooring available are authentic wood floors. Trees are a renewable resource and provide flooring that is sustainable for many generations. All Viking Hardwood Flooring products are made with raw material originating from sustainably managed forests.

Disclaimer: Please remember that one of the beautiful properties of wood is that it is a product of nature and natural variations in color and grain pattern are to be expected. Color swatches and room scene images are meant for inspiration and to aid in color selection. Actual products may vary. Multiple sample boards or a full carton of material will give you a more accurate representation. All dimensions listed are approximate.
