Metropolitan Styling Combined with Modern Flooring Ingenuity

Pictured: Heath

Inspired by the restoration of historic city buildings, the Viking Modern Loft Collection blends innovative flooring technology with refined, sophisticated style. Each plank is crafted for exceptional stability, featuring carefully curated colors, advanced texturing, and premium finishing techniques.

Crafted from premium European white oak, Modern Loft features 5" and 7-1/2" wide planks that highlight the wood's natural grain and character, enhanced by a brushed surface that adds texture and depth, while a durable UV-cured urethane finish provides long-lasting performance.

Designed for today's active lifestyles, Modern Loft features a versatile palette of neutral tones that provides a timeless foundation for any interior.

## *Sustainable for Generations*

The most environmentally friendly flooring available are authentic wood floors. Trees are a renewable resource and provide flooring that is sustainable for many generations. All Viking Hardwood Flooring products are made with raw material originating from sustainably managed forests.
